Hey Susan, thanks for forwarding this, my folks are busy right now looking over the data to see what it means and we'll have a response we believe in the time frame outlined.

After an initial review I wanted to provide some larger policy thoughts that will be reflected in our later submittal but I wanted to also share them with you ahead of our call next week, which I hope to be on but I will be on vacation and may miss that call.

Subject: FW: Midyear Data Review -- internal/confidential

Friends,

At my request, Larry Starfield just sent the attached midyear to midyear (March 31) comparison to the enforcement directors and division directors in the Regions asking if the data for their Region are correct and to help us understand the numbers. These numbers only reflect half of the year.

Deliberative Process / Ex. 5

I have sent an invite to have a conversation with you about these numbers next Wednesday, June 27.

Thanks,

Susan

Enforcement Directors, Regional Program DDs (Regions 3, 4, 5, and 7), and OCE Division Directors:

We've been comparing our FY2018 mid-year enforcement and compliance numbers to our FY2017 mid-year numbers.
